At 1:30 AM EST I'll be speaking with @ShaolinPretzels about content creation! Many of our #SNK family are starting to produce exceptional content, so we thought we'd talk content creation for anyone interested in getting started. @ShaolinPretzels

At the #Evo2019 Artist Alley, I met .@saltamiya. She had adorable cushions at her booth and I wanted one of my own. To commemorate my first ever tournament win, I asked her to make a custom #Falke plush for me and I could not be happier! She even drew on the package!
